💡 Our Mission & Vision

Empowering Education Through Interest-Free Support

DUDC কর্জে হাসানা is dedicated to removing financial barriers that prevent talented Dhaka University students from pursuing their education. We provide interest-free loans (Qarze Hasana) to ensure that no student has to abandon their dreams due to financial constraints.

Our vision is to create a community where every student has access to the financial resources they need to excel academically and contribute meaningfully to society.

🖋 Our Story

DUDC কর্জে হাসানা was founded in 2015 by a group of Dhaka University alumni who witnessed firsthand the financial struggles faced by many students. What began as a small initiative among friends has grown into a registered non-profit organization that has supported over 500 students with interest-free loans totaling ৳25 lakh.

Our journey started when our founder, Dr. Ahmed Hasan, encountered a bright student who was forced to drop out due to inability to pay tuition fees. Determined to prevent such situations, he gathered like-minded individuals who believed in the power of community support and Islamic principles of Qarze Hasana.

Today, we operate with a team of dedicated volunteers and have established partnerships with various university departments to identify students in need. Our transparent operations and 95% repayment rate stand as a testament to the trust placed in us by both donors and students.
